

The Intermountain Specialized Abuse Treatment Centers

Domestic Violence Perpetrator Program

PROGRAM DESCRIPTION

The Domestic Violence Perpetrator Program provides complete treatment for domestic violence offenders who are in need of therapeutic intervention. The program is designed to last 6-9 months.

This program is designed to involve the offender, spouse/partner, various family members and children when deemed appropriate. It is geared specifically for individuals who have participated in acts of domestic violence toward their spouse, significant other or children.

ISAT has been providing therapeutic intervention since 1983. Our therapists are caring, certified counselors specializing in treating domestic violence offenders. A complete list of our services can be found at www.ISATcenter.org.

PROGRAM COMPONENTS

- Individual Therapy as needed
- Group Weekly
- Family/Couples
(As deemed appropriate)
- Intake Assessment
- Transition Plan

This ISAT program is comprised of Individual and Group therapeutic intervention. The treatment plan is centered around making goals, defining rationale, and the measurement and evaluation of each goal. It consists of assignments and understanding the expectations of therapy.

BASIC PROGRAM COSTS

Insurance

If your insurance provides coverage for ISAT therapy, it will help pay a portion of the rate. The remaining balance is based on a sliding fee scale.

Self Pay

The Self Pay plan is based entirely on a sliding fee scale of each client's income.

Contract Funds

Some contract funds are available. Please contact your nearest ISAT office for more information.
